

Pastoral Care at Montview

We give great thanks for the pastoral care ministries of Pete Hulac and Debby Sycamore. Their care for the congregation has been an important part of the life of our community and we are grateful for their generous spirits and giving hearts. They have both recently retired from their professional roles at Montview. Should you desire spiritual or emotional support from a pastor, please reach out to:

- Rev. Dr. Lorraine Leist – Associate Pastor for Congregational Care and Older Adults – lorraine@montview.org
