

## Spring Concert: Cantata Sueños April 21 | 7:00pm (Sanctuary)

Montview's Westminster Choir is delighted to present the Colorado Premiere of Mexican Composer Arturo Márquez's cantata for peace and justice, entitled "Sueños" (Dreams). The work sets texts by Mexican poet Guillermo Velázquez, Chief Seattle, Mahatma Gandhi and Dr. Martin Luther King Jr. to Márquez's highly evocative music, featuring traditional Mexican folk forms alongside other South American dance styles. The concert is accompanied by the Montview Orchestra (comprised of musicians from the Colorado Symphony, Opera and Ballet), and admission is made FREE by the Sacred Concert Fund.
