

## Sunday School at Montview

On April 7, our Sunday School classes read and discussed the parable of the vineyard workers. Each class also talked about prayer; visited the labyrinth on the South Plaza; and worked on memorizing Bible verses for our Children's Service on May 12 at 10:00am. The children will be leading this service in the Miller Chapel. It is a special time for the children and the congregation. A reception follows in the McCollum Room. Please save the date and plan to join us!
