

Montview's Annual Christmas Concert December 7 | 4:00pm (Sanctuary)

Our beloved annual musical tradition continues: Montview's Symphonic Christmas Concert with the Choirs and Orchestra of Montview. Featured on this year's program are performances of three living female American composers: Nancy Galbraith's *Sanctus*, Dale Trumbore's *Ring Out, Ye Bells!* and Sara Groves' *God Rest Ye Merry Gentlemen*. Vocalist JoFoKe is featured in the Spiritual *Behold the Star*, and the Montview Orchestra will perform the *Christmas Overture* from Samuel Coleridge-Taylor. Also included on the program are pieces by the legendary Felix Mendelssohn and Gerald Finzi, along with Montview's own legendary composer: John Kuzma. Our concert concludes with Randall Thompson's stirring *Choose Something Like a Star* - our concert theme - along with our traditional *Story of Silent Night* and *We Wish You a Merry Christmas*.

Admission is free and made possible in part by Montview's Sacred Concert Fund. Seating is first-come, first-serve.
