

Together Colorado Listening Session for Montview's Council District

May 31 | 9-9:45am (McCollum Room)

While many Montview members may not live in Denver City Council District 9, our church home is located within Councilmember Darrell Watson's district. We hope many of you will attend this listening session to help identify questions and concerns you would like raised in conversation with him.

Topics may include:

- Xcel Energy's proposed 20-year franchise agreement and neighborhood negotiations
- Aligning Denver municipal court sentencing with state sentencing guidelines, especially for crimes of poverty
- The safety and support of immigrant neighbors
- Automatic license plate reader surveillance

Councilmember Watson is especially interested in hearing from members of faith communities within his district. A larger community meeting with Councilmember Watson has been scheduled for **Wednesday, June 10, from 4:00–6:00 p.m. at Shorter AME Church**, 3100 Richard Allen Court, Denver. [Register Here](#).

Members and pastors from Montview Church, Shorter AME Church, and The New Pearl at Agape Church are partnering together for this important conversation.

We encourage you to mark your calendars and plan to attend both the May 31 listening session and the June 10 community meeting.
